

Public Fax Policy - Revised September 2016

All faxes must be done by the patron using the Fax24 Public Fax Service kiosk. Fees and forms of payment are determined by Fax24 Public Fax Services and listed on the kiosk.

The library reserves the right to refuse service.

Lansing Public Library is not responsible for content, or failure of fax arrival. The library will not refund any money for faxes that are sent. Patrons are advised to check with the intended recipient to verify receipt of information. Any issues with the Fax 24 kiosk will be handled by that company.
